<TRANSLATOR NOTES>

For all of you non-Indonesian fans out there you may be wondering why this webtoon ended so abruptly.

"There's even a new **FEMALE** character!" I hear y'all saying. "I think this has potential, so why stop it here?" I hear y'all asking. "**I WANT MORE PURPLE HEADS!**"

Well, what can we do? It's the author's choice.

Lucky for us, after doing much research (including digging through No Homo's comment section), I found a link that redirected me to her Tumblr account. The author posted why she stopped working on it (or at least, publishing it).

This is what it looks like:

For those of you who can't speak Indonesian, this is my desperate attempt at translating it to be as close to the original meaning as possible.

SOMERANDOMPOPTARTS What happened to No Homo? It'll only be a little more time before the breator has lasted for three whole months.

Aishsha yeah sorry, No Homo is a dilemma ar.

It was wrong to say the break would only last for two weeks () thought I could do it - but I can't - I'm so very sorry and I deeply regret it. Honestly, I intended to stop at the 12th episode for season 1 (comedy) and continue season 2 as a drama. But then I saw the comments on webtoons.com* and because of that I was hesitating about whether I should continue it or not. It's not pretty. At all. Too many homophobic and abusive comments - it's too much pressure. I don't complain about it, but I made comics for pleasure, and doing No Homo or there doesn't feel that pleasant anymore. Ugh. The spark is gone, you know? All I feel is stress.

*She published the original webtoon there.

On top of it all, I became uncomfortable with my platies (seeing the webtooners' responses made me uncomfortable). Let me tell you a little something: No Homo was an "impromptu" project I made for the webtoon challenge. There was no plot, no storyline, just an outline of the story - as well as Brian and Drys. And when it was (the contest), people asked me - demanded me - to make it official*. Looking back, my first and biggest mistake was saying "yes" because it turns out that I - am not ready.

*To be featured officially on webtoons.com

Agh sorry this has become a sad post. I'm not trying to make you guys understand. I just want to unload my underlying stress and also to answer the occasional questions in my inbox. () can publish it, right?

Once again, sorry. For those who are looking for updates on No Homo: I'm working on it, but it won't be up soon.

-Apit

INDONESIA (tags on her Tumblr) AND I FEEL LIKE I STILL HAVE TO LEARN LETS MORE ABOUT BEING A COMIC ARTIST. BUT AT LEAST I LEARNED MANY VALUABLE LESSONS. NO HOMO (BTW LEGALLY SPEAKING I HAVE NO CONTRACT WITH WEBTOONS.COM ANYMORE TO PUBLISH NO HOMO ON THEIR SITE. JUST FYI) SOMERANDOMPOPTARTS, SAKH I'M BEING A DICK! I'M SO SORRY BUT I JUST CAN'T ANYMORE. IT'S TOXIC FOR ME AND I JUST WANT TO CUT IT OFF.

That being said...

We thank you all for reading No Homo on her behalf. We haven't gotten acquainted with her or anything, but if you're happy reading our work, then so are we.

Please support the author on her Tumblr: <http://apitnobaka.tumblr.com>

That's all folks!

<EXTRAS!>
(from the author's Tumblr)

ONE NIGHT
HE WAKES

STRANGE LOOK ON HIS FACE

PAUSES, THEN SAYS

AND YOU KNOW
WHAT IT WAS

HE IS IN LOVE.

hey, if you've been
together with your friend
for years

doing everything
with him and loving
every second of it

and not regret it
a little bit because hell, of course
you'd rather be with your friend
than doing the so-called-dating
with them, right?

getting dumped by
your girlfriends because
apparently you choose
said friend over them

its kinda gay,
dont you think?

well

its not like
you want to lose me
or anything

right?
